Dear Abubakar Muhammad Umar

ACCEPTANCE LETTER FOR INTERNSHIP

We are pleased to inform you that your request for internship in our organization is accepted, as you are aware Startup Kano is a modern company that promotes and advocates entrepreneurship, Agribusiness and Self-employment. We incubate and accelerate startups and train them on strategies to secure funding from venture capitalists, angel investors and government grants. We provide guidance on bootstrapping strategies for startup growth strategies and expansion. However, we have remarkable track record for technology innovation, we mentor interns and prepare them to become industry ready. You are required to pay for your professional course of interest, on resumption for the duration of your stay with us.

We are pleased to offer you this challenge and wish you a successful career building with us.

Yours sincerely,
For: **STARTUP KANO LTD**

Umar Mohammed.
